

INTRODUCING MIXED MAPLE

Mixing floor board widths creates an elegant handcrafted look to your room. The Mixed Maple flooring by Superior Hardwood is the first mixed box of hand-scraped maple flooring available to consumers. A combination of 2 1/4" & 4 1/4" maple boards these hand-scraped floors capture a unique rustic handmade look for your home.

MIXED MAPLE

This solid maple flooring comes in boxes of mixed width 2 1/4" & 4 1/4" boards to create a custom look. These Mixed Maple boards belong to the Superior Heritage grade and feature a hand scraped, low sheen finish. Available in four colours, Pepper, Cumin, Silver Fox and Backroads, Mixed Maple floors create a uniquely rustic look for your home.
