

The Superior Waterfall Collections

This unique display showcases our premium products in a removable configuration. Holding up to nine 18"x 36" samples, consumers are able to experience the look, colour and texture of several boards under different lighting. The lightweight design allows for this display to fit nicely into any showroom space - order yours today.

Speak to your Sales Representative to order your displays and samples. Order up to 6 displays and select from the sample collections below.
